Title: Introduction to Project Management
Academic Year: 2010
Instructor: Luis Ramos
Telephone: (813) 917-8728
EMAIL: lou@vesi7.com

Course description: This 8 hour course (one day) will provide students a basic understanding of project management as defined by the Project Management Institute, PMI® (www.PMI.org). Successful completion of this one day course will prepare students to better understand the Project Management Professional (PMP) course that would, logically follow.
